XO DFNDR

XO 250 DFNDR is the choice for adventurers and outdoor enthusiasts, who wish to set the course on new and thrilling expeditions. This mini-powerhouse has been designed for active use, with qualities that make the boat outlast even the toughest weathers – and if you happen to need more shelter, the boat is also available with added side canopies for extra warmth.

Thanks to its versatility and power, XO 250 DFNDR is perfect for both commuting and leisure. Along with XO's signature military grade aluminium hull and superb driving qualities, this boat also includes plenty of storage space where you can store anything from waterskis to paddleboards.
