

2014 BOSTON WHALER 230 VANTAGE

€95.000

ENQUIRE NOW

230 VANTAGE

This boat is from 2014 but has de CE Certificate in 2019.

And even as it delivers incredible comfort and rugged luxury, the 230 packs a wallop in terms of power and capability. For wakeboarders and skiers, the watersports tower and standard 225-hp Mercury Verado FourStroke engine offer thrills for days. Anglers can head offshore with confidence; the impressive optional fishing boat package adds a 14-gallon livewell, a raw-water washdown, transom mounted rod holders and more. And as a yacht tender, it's in a whole different class than any inflatable or RIB. Thanks to the Vantage's accessible head featuring a molded sink with drain and lockable entry door, and a new high-capacity Yeti cooler, every crew can journey longer and farther in comfort.
