Schaefer Yachts is an industry leader in the design and construction of performance yachts between 30 and 83 feet. Boasting one of the biggest and most technologically advanced shipyards in South America, Schaefer Yachts has been transforming the marine industry for over 32 years. Almost four thousand boats have been delivered worldwide. The shipyard has earned an exceptional reputation for setting high quality manufacturing standards with our proprietary and highly advanced production process. The shipyard's cutting-edge technology and eagle eye for details guarantee a vast range of vessels made with extreme precision. Schaefer Yachts is proud to be a shipyard that attends to the most demanding markets in the world.
