Schaefer Yachts is an industry leader in the design and construction of performance yachts between 33 and 86 feet. Boasting one of the biggest and most technologically advanced shipyards in South America, Schaefer Yachts has been transforming the marine industry for over 33 years. Almost four thousand boats have been delivered worldwide. The shipyard has earned an exceptional reputation for setting high quality manufacturing standards with our proprietary and highly advanced production process. The shipyard's cutting-edge technology and eagle eye for details guarantee a vast range of vessels made with extreme precision. Schaefer Yachts is proud to be a shipyard that attends to the most demanding markets in the world.

SCHAEFER
YACHTS

With contemporary design,

built with the most advanced innovations in the nautical world.

A true example

of integration between comfort,

performance, and technology.

The side balconies and the

doors on both sides create a

perfect integration between

indoor and outdoor areas, enhancing

the sense of space

and freedom.

DESIGN

The largest aft deck and the most spacious salon in its class

stand out on the Schaefer 26M, complemented by a galley

with separate dining area and a truly impressive design.

STATEMENT

With a stunning living and dining area that spans the entire interior of the main deck, the Schaefer 26M delivers spaciousness, comfort, and sophistication in every detail.

A yacht designed for
both the present and the future.
Eco-friendly from build
to operation.

TECHNOLOGY

Built in composite, with superstructure,
flybridge, and hardtop in carbon fiber, it ensures a
lighter hull with a lower center of gravity.
This results in a more stable and safer navigation,
while also providing a more sustainable solution.

PERFORMANCE

Equipped with three IPS 1350 engines,
the Schaefer 26M delivers exceptional performance
with virtually no vibrations or noise,
while ensuring 20% to 25% greater fuel efficiency
compared to traditional propulsion systems.

The Schaefer 26M features

4 full suites, with the master suite

strategically positioned midship,

offering the most comfortable and tranquil

spot on board for ultimate relaxation.

COMFORT

The spacious aft deck features a

2.80-meter table that comfortably

seats up to 10 guests. Like the main deck,

the flybridge offers a fully integrated

layout with no steps or level changes.

The open-concept social areas, without steps,
provide a sailing experience that feels just like
being at home.

VERSATILITY

The Schaefer 26M blends intimacy with versatility
accommodates 8 to 11 guests in four or five cabins
overnight with 3 crew.
