An almost-new Tesoro T40 — fully loaded, ready to go

Delivered new in June 2023 by Tot Nautic, **Waste in Time II** is a Tesoro T40 Cruiser specified with almost every option on the list — **more than € 285.000 of factory extras** — including the full-carbon Cullinan T-Top with glass sunroof, the 600 kg hydraulic XXL swim platform, Volvo Penta joystick docking, generator and air conditioning.

Designed by Juan Carlos Olivares and Andrés Martínez and built in Spain, the T40 combines a sleek, high-sided day-cruiser profile with genuine overnight comfort: a forward master cabin with ensuite bathroom and separate shower, plus a twin-berth aft cabin. Twin Volvo Penta D4-320 diesels with Glass Cockpit displays make her as easy to handle as she is quick.
